UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA

SKITS, LLC, a California limited  
liability company,

Plaintiff,

v.

LTD COMMODITIES LLC, a  
Delaware limited liability company;  
ACI, INC., a Delaware corporation;  
DOES 1-10,

Defendants.

Case No. SACV15-01591 JLS (DFMx)  
The Honorable Josephine L. Staton  
Ctrm.10A

**FINAL JUDGMENT**

Based on the stipulation of the parties, the Court enters its Final Judgment in  
this action as follows:

1. Plaintiff Skits, LLC (“Skits”) and defendants LTD Commodities LLC  
 (“LTD”) and ACI, Inc. (“ACI”) have entered into a settlement agreement (the  
 “Settlement Agreement”) resolving the claims and defenses in this action. The  
 Court retains jurisdiction over the subject matter of the action and over the parties  
 to the action for purposes of summary enforcement of the Settlement Agreement.

1       2. Skits alleges that LTD's "Smart Tech Organizer Case" products (the  
2 "Accused Products") infringe United States Design Patent No. D739,655 ("the '655  
3 patent") and that LTD also violated certain of Skits' common-law trademark rights.  
4 Skits also alleges that ACI sold the Accused Products to LTD. The '655 patent is  
5 valid and infringed by the Accused Products.

6

7       3. LTD, ACI, their respective officers, agents, servants, employees, and  
8 attorneys, or anyone else in active concert or participation with any of those persons  
9 or entities, are hereby enjoined and prohibited from making, using, selling, offering  
10 for sale in, or importing into, the United States during the remaining term of the  
11 '655 patent Accused Products or any other product that embodies the design  
12 disclosed in the '655 patent or any colorable imitation of that design.
